Our newest project is coming along nicely. It is Project 150 Reno. This is a project helping high school students stay in school. A list of their needs is on the side table at the front of the room.

Ladies I still need your new or used Christmas cards so that we can start getting the cards for our military overseas for 2022 Christmas.

Thank you

Becky McDonald, Membership

We are off to a successful year! Eight new members joined RWR in January. We are anticipating many new members coming on board ahead of the November elections. We have so much information to share and much to do to make Nevada Red Again and RWR will make it happen! Please invite a friend or a neighbor to one of our meetings. Pay it forward and treat your guest(s) to lunch. Who would pass up a delicious lunch in a beautiful setting, and in a safe environment where one can talk freely about conservative issues?

For our guests and those that would like to explore membership, we have begun an orientation that takes place before each meeting beginning at 10:30. This is a great way to learn about RWR and the many volunteer opportunities. If you have any questions about our orientation, please contact Lynn Nielsen at 775-747-9924.

Please welcome the following new members:

Misty Apostalo, Risa Billingsley, Janet Butcher, Doretta Brown, Sherelle Mendenhall, Kimberly Montgomery, Tina Thorton, Christina Zachary.

Cindy Sassenrath, Treasurer

Calling all VOLUNTEERS! We have several areas where we need help.

Do you have experience with bookkeeping? Are you familiar with Quickbooks? Do you have AV or recording experience? We are looking for help with recording our events and posting them to sites where other's can benefit from them.

I am also looking for members who would like to help with check in at our lunches and other events.

If you can help in any area, please contact me at escapella@gmail.com or 707-621-2009.

Debbie Hudgens, PAA Brigade

The Political Affairs and Activity Brigade is getting off to a great start. We are ready to hit the ground running to assist the Election Integrity Brigade, Education Brigade and others to get mobilized for our upcoming primary election.

The security of our election is front and center of many conservative minds. Our sister brigade is doing a fabulous job with the workshops and we will continue supporting that as we prepare for an amazing event. Stay tuned for details on Mike Lindell coming to speak.

Once our Precinct Committees are organized after 1/31/2022, we will start encouraging house meetings and helping organized canvassing with the RNC.

Please contact **Debbie Hudgens** @ debbie@debbiehudgens.com or call/text 925.222.8877 if you would like additional information or have questions on events.

Rebecca Degn, Fundraising Chair

Happy 2022! What a fantastic time we shared at the January Luncheon at the beautiful Red Hawk Golf Resort. I love the venue with the most friendly and awesome staff who start setting the tables and preparing for our arrival so early in the morning.

Fundraising is off to a great start, we sold baskets, jewelry, pillows and home decorations. Thank you for supporting RWR by purchasing or remembering to bring in gently used or new items such as vintage jewelry, and seasonal gift wares to fill in our gift baskets. Please continue to shop at our tables!

Fundraising will host three specialty events this year to raise extra funds to cover the costs associated with guest speaker's fees and accommodations; awards, printed materials and help offset centerpiece costs. Every dollar is invested to bring educational speakers and guests to keep our members informed and up to date on conservative issues. The specialty events are strictly for social and entertainment for our members and their guests.

Please mark your calendar for our 2nd Annual St. Patrick's Day Party, Sunday March 13th, 3:00-7:00 PM at the beautiful Bella Vista Clubhouse at Damonte Ranch. Detailed flyer will be forwarded shortly. Only a limited number of guests are allowed in the clubhouse. So please register as soon as you receive the flyer.

Gratefully,

Becky

Washoe County students and families are suffering under the gross mismanagement of Washoe County School District (WCSD) leadership – but the RWR Education Brigade is making real progress towards a solution!

Yeah, It's That Bad

There are over 13,000 school districts in the United States. One of them has to be the worst. As it turns out, it's us.

Our school district ranks at the bottom of the entire nation. (See graphs, below).

Students leave school woefully under-prepared for college, unable to pursue meaningful employment, and devoid of an appreciation of their incredible state and Nation. The impact of this on their life prospects is devastating.

It isn't due to funding – our per-student expenditure is typical.

It isn't due to facilities – we have excellent physical infrastructure.

It isn't due to the families or students – Washoe residents are some of the kindest, smartest, hardest-working people you'll ever meet.

It's due to district leadership, who view their position as an opportunity to indoctrinate our children, rather than as an obligation to educate them.

WCSD leaders have abandoned academic excellence as a goal, and instead claim that a student's success depends on "social and emotional" learning (SEL). According to the board, Math, English and Science can take a back seat – as long as our kids learn about Critical Race Theory, transgender activism and anti-American concepts – starting in kindergarten. The board has fourteen different committees, but not one committee about improving the quality of education and student learning.

WCSD leaders teach that Equity, not Equality under the Law, is the goal of society. Equity refers to "outcomes" – that outcomes for all, regardless of effort or merit, should be the same.

WCSD leaders also believe that on the first day of school, children should announce to their teachers and classmates their "gender pronouns" – to be kept secret from parents, of course. These are actual school policies. And teachers are encouraged to let their young students know what their sexual preferences are, as well.

WCSD leaders are using our children in the service of their own political beliefs.

RWR Education Brigade is Leading the Recovery

We, the parents, grandparents and taxpayers of Washoe County, have had enough. We have come together to protest the indoctrination of our children. We have come together to get our schools refocused and back to educating our children.

Over the past year, the RWR Education Brigade has:

1. Pressured three board members and the superintendent to resign
2. Uncovered and brought forward the fact that one of the board members was fraudulently living outside of her district

Continued on next page

3. Organized email and phone campaigns for issues such as masks, vax, quality of education and CRT
4. Held a wildly popular workshop (over 200 people showed up): How to Take Your Child Out of Public Schools
5. Passed out informational flyers to parents – after school – who were picking up their children
6. Stopped the unwarranted censure of trustee Jeff Church
7. Pressured the WCSD board to disassociate themselves from the National School Board Association (NSBA – they called us domestic terrorists)
8. Worked with students at Galena H.S. to form a conservative, after-school club
9. Hired an attorney and brought a lawsuit against the board for OML violations
10. Held a successful fund raiser to pay for attorney fees
11. Created the Washoe Schools Examiner – a newsletter/door hanger to promote school board candidates
12. Created an “Opt-Out” form that includes language regarding CRT

WCSD is Unwilling to Improve

Sadly, the WCSD board does not agree about making these improvements a priority. Except for our one lone, brave and conservative Trustee Jeff Church – the rest of the board members do not want to hear from us because THEY think that they know better than the parents, teachers and taxpayers of Washoe County.

Our efforts have caused the school board to retaliate against us – with them trying their best to silence us.

We’ve been forced to wait for hours, standing in the hot summer sun or on winter days, made to wait in freezing temperatures before our chance to address the school board members. Many of us have skipped dinner with our family as the school board meeting dragged on to the wee hours of the morning.

They make us wait. They make us sweat and they make us shiver. Our stomachs growl and our eyelids grow heavy. They scold us if our mask accidentally drops below our nose while we are speaking. They scold us if we dare to clap in support of a speaker. They reprimand us if we are critical of their members. They adjourn the meeting if we don’t behave.

They take a community survey to garner support for their Social Justice training for Kindergarten through 5th grade. When the survey comes back with 87% disapproval ratings, the superintendent makes a side move – she appoints a special task force to make their recommendations. The task force is mostly made up of people who support the training.

Little by little, Angela Taylor, the president of the school board, has removed the public’s right to free speech. Taylor has systematically chipped away at our avenues to speak at their public board meetings. First, Taylor removed Trustee Church’s ability to place important topics on the agenda. Then, Taylor removed Church’s ability to give a monthly report. Soon, Taylor removed the initial “Public Comment” which resulted in people having to wait until the end of the meeting before making their comment – sometimes after midnight.

Continued on next page

The above tactics amount to violations of the Open Meeting Laws. Our complaints to the Attorney General, Aaron Ford, about these violations have gone unanswered. We were forced to take private action and a group of four plaintiffs are now suing the school district to return our free speech rights.

They hope we will give up and go away. But we are not going away.

We are going to continue to fight.

A New Strategy for Success

We have come to realize that the school board has no intention of heeding our objections or putting a focus back on student learning.

We are now focused on removing the current school board and replacing them with good, conservative members. Four of the seven board seats are up for election in 2022.

The RWR Education Brigade has already:

1. Recruited nine solid candidates to run for the four open positions
2. Created a new website highlighting and promoting these candidates (saveWCSD.com)
3. Facilitated free campaign training with a local consultant
4. Coordinated with the Nevada State GOP for Candidate College (Jan 22 & Jan 23)
5. Created a "Candidate Pledge" for school board candidates
6. Education Brigade Workshop – Friday, February 18, 8-10am @ Paisan's
7. Meet the Candidates: RWR luncheon, Thursday, March 10, 11am – 1pm @ Red Hawk

With four new board members, along with existing member Jeff Church, we will have a 5-2 majority on the board, and can save our school district and get our children and our county back on track! We have renewed hope!

We will need everyone's help in electing these new members.

Every one of you can do something – whether you can donate a few dollars or donate a few hours of your time.

Take a look at the sample list, below, on ways you can help. *Continued on next page*

School Board

What can you do?

Here are some **IDEAS** to get your started:

Email campaign (write emails to the school board members - we will give you the email addresses and suggest topics)

Write press releases (we can train you)

Create flyers (for “calls to action,” meetings & events)

Attend school board meetings (2nd & 4th Tuesdays of each month)
Get informed by attending these meetings
And/Or - speak at the podium (we can suggest topics)

Start a **conservative**, Nextdoor site in your neighborhood and help us get the word out about meetings, events, candidates and news! (We can help you set this up and train you).

Support school board candidates

Host meet & greets at your home

Donate money (any amount helps!) for their campaign: yard signs, business cards, gas mileage, etc.

Put up their yard signs in your yard

Walk your neighborhood – promote the candidates and/or place “door-hangers” of information

Run for one of the FOUR open board seats – we offer training and support!

Send your email address to Bev Stenehjem: bev.stenehjem@gmail.com or call/text: (408) 705-6537 so that we can keep you informed of school board issues and opportunities to help.

**Kathy Doyle, NvFRW Leadership Conference
Saturday, January 15, Governor's Mansion, Carson City**

The Nevada Federation of Republican Women (NvFRW) Northern Leadership Conference was a huge success. Over 100 members attended the event, held at the Governor's Mansion in Carson City on Saturday, January 15, and led by newly elected NvFRW President Caroline Smith.

Speakers included:

- **Jeff Church**, Washoe County School Board, on Nevada Education Problems and Solutions.
- **Cindy Sassenrath**, NvFRW Northern Regents Director, on the importance of joining Regents.
- **Connie Skidmore**, Incline Village, Registered Parliamentarian, on Parliamentary Procedures.
- **Kathy Doyle** (filling in for Phyllis Westrup, NvFRW Leadership Chair), on the NvFRW Leadership Handbook.
- **Jim Hindle**, Nevada GOP Vice Chairman, luncheon guest speaker.

There were also breakout discussion tables for all the northern club officers and issue tables for attendees to hear about the topics of interest to them (Election Integrity, Leadership, Achievement Awards, Legislative, Membership and Fundraising).

Becky Degn and Lori Moore put on a delicious hearty breakfast for the group.

We received lots of favorable comments at the conference end. It was clear that our members were hungry for information and were appreciative of the opportunity to get together in this type of venue to network and learn. Our thanks to President Caroline Smith, Northern Director Maxine Rodowicz and all the volunteers, many of them RWR members, for their contribution to making this a most successful conference.
